

Govt. of Himachal Pradesh  
Department of Horticulture  
Notification

No. 20-17/2018- Udyan-IV

Dated: November, 2018

- 5 NOV 2018

The notification is hereby issued for coverage of crops, reference unit areas and location of reference weather stations for the implementation of Restructured Weather Based Crop Insurance Scheme (R-WBCIS) and Add on/ Index Plus scheme for hail storm in the State during Rabi, 2018-19 as per administrative approval of GOI dated 31<sup>th</sup> October, 2016 under the Restructured Weather Based Crop Insurance Scheme and decision taken by the State Level Coordination Committee on Crop Insurance (SLCCCI) in its meeting held on **02<sup>nd</sup> November, 2018** at 12.30 P.M. under the Chairmanship of the Principal Secretary (Agriculture) as per guidelines of the scheme given below:

**I RESTRUCTIONED WEATHER BASED CROP INSURANCE SCHEME  
(MAIN COVER)  
(COMPULSORY FOR LOANEE & OPTIONAL NON-LOANEE)**

**1. Season**

Insurance coverage under the scheme would be provided for Apple, Mango, Citrus, Plum & Peach fruit crops for the Rabi season 2018-19.

**2. Crops to be covered**

The Apple, Mango, Citrus, Plum & Peach fruit crops of trees in age category **>5 years** of age are to be covered during Rabi 2018-19 season in the areas mentioned in the point no. 4 below.

**3. Implementing Agencies:-**

On the basis of tenders received and after computing the weighted average mean of premium quoted by each company for all the fruit crops in a district Agriculture Insurance Company of India Ltd. has been allocated all the clusters.

The fruit wise term sheets describing insurance covers with risk period, weather parameters/strikes/triggers and corresponding pay-out/sum-insured and premium payable etc. for current season are attached as

**Annexure-1 to 32.**

**4. Area approach**

The scheme shall operate on the principle of **“Area Approach”** in selected notified Reference Unit Areas. Area Approach signifies that a Reference Unit Area shall be considered as a unit area of insurance for the purpose of acceptance of risk and assessment of compensation as well. Therefore, all insured cultivators of a notified crop in the notified Reference Unit Area shall be deemed to be at par so far as their terms of insurance coverage and assessment of compensation are concerned.

### 7 **Period of Insurance**

Period of Insurance for this Add-on Cover is from **1<sup>st</sup> April 2019 to 31<sup>st</sup> July 2019** for Hail cover.

### 8 **Conditions for farmers to become eligible for add-on cover:**

Only those farmers can opt for this add-on cover who satisfy all the following conditions and accordingly Bank branches/Insurance Intermediaries shall ensure the same before accepting the proposal forms from individual farmer.

1. The farmers should have already insured their apple crop under the main cover of Restructured Weather Based Crop Insurance Scheme (R-WBCIS) notified by H.P.Govt during this Rabi 2018-19 season.
2. The farmer has to insure apple crop of only those trees which are insured under the main cover and the number of trees also will not exceed the number of trees insured under main cover. Accordingly, he has to furnish the necessary details in the proposal form alongwith proof of insurable interest like Udhyan Card / Crop Sown Certificate with Jamabandi.

3. It is compulsory for all farmers seeking this coverage to have Aadhaar Card and a bank account with the bank branch where he/she tenders the premium and proposal.

#### **9 Submission of Declarations:-**

The banks / Insurance Intermediaries will accept complete proposals along with premium amount and other documents showing insurable interest, Aadhaar etc. submitted by the loanee and non loanee farmers till **20<sup>th</sup> December, 2018**. All bank branches will send this information summarized in prescribed format to the insurance company within the cut-off date.

The Banks shall receive individual Proposal Form from farmers seeking coverage, scrutinize the proposals, accept premium, consolidate the proposals in the prescribed declaration format separately for loanee and non-loanee farmers and route them through their designated nodal offices / or directly within cut off dates.

#### **10 Seasonality Discipline**

Cut off dates for R-WBCIS 2018-19 Add on /Index Plus cover shall be the same as seasonality discipline of R-WBCIS at the point no. 9 mentioned for main cover.

#### **11 Nature of Coverage and Indemnity**

Add on / Index Plus cover under Restructured Weather Based Crop Insurance Scheme shall operate on individual farmer assessment of losses. Risk covered is losses to insured apple crop caused by hailstorm during the period of insurance. Following is the procedure for assessment of claims.

1. Affected insured farmer will have to intimate date and time of hailstorm, intensity of losses and details of insurance cover in duly filled-in prescribed Loss Intimation Format through email, FAX to the implementing agency within 48 hours of occurrence of the peril and also send the same through post.
2. Affected farmer who has insured his crop may also intimate about the date and time of hailstorm, intensity of losses and details of insurance cover to the nearest departmental official of the concerned block or HEC / his Banker /Insurance Intermediaries at the earliest of occurrence of the peril in writing, email, FAX or phone. In this case, such official / banker / intermediary etc. will immediately intimate the implementing insurance company about the date and time of hailstorm occurrence, intensity of losses, insurance coverage details etc. within 48 hours of occurrence of these peril or damages.
3. The implementing agencies will depute a loss assessor within 72 hours of receipt of intimation.
4. Losses due to hailstorm would be assessed at individual farm level jointly by a team comprising of State Horticulture Department, Revenue Department, Loss Assessors deputed by implementing agency, central government and / or representatives of other concerned agencies like Horticulture Extension Officer, Patwari of the concerned patwar circle, representative of the PRI i.e ward member or Pradhan of the concerned Gram Panchayat. Print and electronic media reports as well as reports of meteorological deptt may also be considered as proxy indicators.
5. The loss shall be assessed as percent loss to the normal crop. The claims payable to the grower would be in same proportion to his Sum Insured of add-on cover.
6. If the affected area under a notified crop is more than 25% of the total insured area in a notified insurance unit, all the eligible farmers (who has

taken insurance for the notified crop, which has been damaged, and informed about occurrence of calamity in the farm within the stipulated time) in the notified insurance unit would be deemed to have suffered localised loss and would be eligible for financial support. Percentage of loss would be arrived at by requisite percentage of sample survey (as decided by the Joint Committee) of affected area by the insurance company.

**Cover 6** INDEX PLUS COVER for Hailstorm (Optional cover will have to be availed for number of trees insured only under the main cover)

**Period of Insurance** 1<sup>st</sup> April 2019 to 31<sup>st</sup> July 2019

**Cover Index** Risk covered is losses to the insured crop caused by occurrence of **hailstorm** during the period of insurance. Affected insured farmer will have to intimate date and time of hailstorm, intensity of losses and details of insurance cover in duly filled in prescribed Loss Intimation Format through email, FAX, post to the implementing agency within 48 hours of occurrence of the peril.

**Claim pay-out** Insurance company will depute a loss assessor within 72 hours of receipt of intimation. Losses due to hailstorm would be assessed at individual farm level jointly by a team comprising of State Horticulture Department, Revenue Department, Loss Assessors deputed by implementing agency, central government and other concerned agencies. The loss shall be assessed as percent loss to the normal crop. The claims payable to the grower would be in same proportion to his sum insured.

If the affected area under a notified crop is more than 25% of the total insured area in a notified insurance unit, all the eligible farmers (who has taken insurance for the notified crop, which has been damaged, and informed about occurrence of calamity in the farm within the stipulated time) in the notified insurance unit would be deemed to have suffered localised loss and would be eligible for financial support. Percentage of loss would be arrived at by requisite percentage of **sample survey** (as decided by the Joint Committee) of affected area by the insurance company.
